Dear Wayne,

Relative to your letter of December 21, 1981 [Seeley Canyon Breakout Stipulations]:

Plateau Mining Company has encountered unforeseen mining conditions which preclude the immediate use of Seeley Canyon for a proposed breakout. However, the possibility for future use is still viable. Considering the above, Plateau Mining Company is requesting that the Seeley Canyon Plan be tabled until future notice and that stipulations #2 and #3 be held in lieu of a firm decision by Plateau Mining Company to abandon or utilize this site.

Thank you for your assistance and consideration.

Sincerely,

Plateau Mining Company
