DIVISION OF  
OIL, GAS & MINING

Dear Mr. Smith:

Plateau Mining Company is seeking a Minor Modification to its approved Mining and Reclamation Plan.

This modification would necessitate new portals to be located in the South Fork of Corner Canyon. These portals would be utilized for required ventilation as development in PMC's federal leases continue to the west.

Copies of the plan are enclosed. Questions regarding the plan may be directed to either Mel Coonrod or Steve Rigby.

We are appreciative of the work you are doing for us. We look forward to hearing from you.

Sincerely,

PLATEAU MINING COMPANY
