DIVISION OF
OIL, GAS & MINING

Dear Sandy:

I am requesting a thirty day extension on rectifying the situation with the oil storage shed and adjacent drop drain.

This request is based on the fact that the new shop building is not complete. This is due to extreme weather and contractual delays. I feel confident that based on past winters Plateau Mining Company will not experience any substantial run-off during February.

Your consideration will be appreciated.

Sincerely,

PLATEAU MINING COMPANY
