Re: PLATEAU MINING COMPANY - MINING AND RECLAMATION BOND NO. 515701-A

Dear Pam:

Enclosed please find the executed original of Seaboard Bond No. 515701-A. You will note that this newest bond is prepared on the revised bond form required by your office and replaces Bond No. 515701. You will further note the bond amount has been changed in accordance with our prior correspondence and your letter dated May 12, 1983.

Please file this bond in the appropriate locations and, at your earliest convenience, forward to me a letter or other notice evidencing your receipt and acceptance of the same.

Thank you for your assistance in this matter and if I can help please don't hesitate to give me a call.

Very truly yours,

JEFFREY C. COLLINS
