RE: CORNER CANYON PERMIT APPLICATION SUPPLIMENT RESPONSE TO DOGM  
CONCERNS.

Dear Jim,

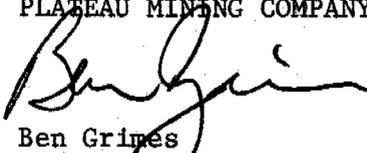

The attached responds to the Division's concerns as outlined in your letter dated May 20, 1983.

We hope to resolve these matters as quickly as possible. The snow has melted from the area and we could start construction anytime. The construction schedule requires a six month duration. If we started construction now, we would be into bad weather finishing the project.

We would appreciate a rapid response and approval.

Sincerely,

PLATEAU MINING COMPANY
