Mr. Jim Shirazi, Director
Utah Division of Oil, Gas and Mining
4241 State Office Building
Salt Lake City, UT 84114

Attention: ~~Mary Boucek~~ Lynn K.

Dear Jim:

The Division has reviewed Plateau Mining Company's Supplement No. 1 for the Corner Canyon ventilation facility. As you know, the Division has had significant interaction with the company concerning planning for this facility. If Plateau proceeds as outlined, the Division has no concern. They should be urged to keep disturbance to as small of an area as practicable.

Thank you for the opportunity to review and provide comment.

Sincerely,
