RE: Modification of NOV N82-4-13-1
Bishopsgate Coal Company
CEP/007/006
Carbon County, Utah

Dear Bill:

Please find enclosed a Modification of Notice for NOV N82-4-13-1. After receiving your letter of May 25, 1983 and discussing the snow situation in the Scofield area with other members of our staff, I agree that it is still too early to attempt reclamation of drill hole 81-5-1P. Therefore, I am extending the abatement deadline on the above-mentioned NOV until June 30, 1983.

Thank you for your timely request of extension, should you have any further questions, please do not hesitate to call me.

Sincerely,
