RE: Approval of Trash Bin Area Plans
submitted on July 13, 1983.
Star Point Mines
ACT/007/006, Folder No. 4 & 7
Carbon County, Utah

Dear Mr. Grimes:

Plans for the trash bin area were submitted to the Division in a letter from Plateau Mining Company dated July 13, 1983. On July 22, 1983 during a conversation between yourself, Wayne Hedberg and David Lof, the Division granted you a verbal approval to go ahead with the plan. Accompanying this approval were two stipulations with which you agreed to comply.

Stipulation 7-22-83-1 (DWH)

An additional 13 copies of the plan need to be submitted to the Division so that they may be distributed to OSM and other state agencies.

Stipulation 7-22-83-2 (DWH)

The operator shall provide an adequate sediment filtering system at the inlet to the existing drain for compliance with the requirements of UMC 817.45.

The additional copies of the plan should be submitted within one week of receipt of this letter. If you have any questions concerning the content of this letter please contact myself, Wayne Hedberg or David Lof.

Sincerely,

JAMES W. SMITH, JR.
