Dear Mr. Tucker:

This letter is a follow-up to notify your company that the Division has received the letter of concurrence from the U. S. Forest Service which was a condition to our approval letter dated June 15, 1983 for the Corner Canyon Ventilation Facility.

This also confirms the telephone conversation held on June 27, 1983 between Mr. Ben Grimes of Plateau Mining Company and D. Wayne Hedberg of the Division staff, which granted a verbal go ahead to the company pursuant to a notice from the Forest Service that their concurrence letter was mailed June 24, 1983.

Plateau Mining Company is hereby given formal approval to proceed with construction in accordance with the approved plan and the conditions of the June 15, 1983 approval letter.

Should you have any questions please call on us.

Sincerely,

D. Wayne Hedberg
