RE: Corner Canyon Ventilation  
 Facility Supplement  
 Plateau Mining Company  
 Star Point Mines  
 ACT/007/006  
 Carbon County, Utah

Dear Reed:

This letter is to notify your office of our receipt of Plateau Mining Company's (PMC) recent submittal (April 6, 1983) of the supplement for the Corner Canyon Ventilation Facility.

It is our understanding that PMC will be forwarding copies directly to your office for review purposes. Copies were to have been directed to the OSM by the operator as well.

We would solicit your comments on this modified proposal by April 29, 1983 if possible. The continued cooperation, and professional support provided by your staff in assisting in preparing reviews of permit applications is greatly appreciated.

Should your staff have any questions regarding this proposal, please contact Wayne Hedberg of my staff.

Sincerely,

JAMES W. SMITH, JR.
