RE: Reclamation of Pipe-leak
Area along Eccles Creek.
Skyline Mine
ACT/007/006 No. 3
Carbon County, Utah

Dear Ben:

This letter will serve as a request for formal plans addressing the reclamation of the areas disturbed by the pipe leak. These plans should include a timetable of when the work will be initiated, each applicable stage and a final completion time (to the best of your knowledge). Interim sediment control measures should also be addressed.

If you have any questions or comments, please contact myself or Joe Helfrich of the Division.

Sincerely,

Barton Kale
