ACT/007/006-MRP REVISION
Carbon County, Utah

Dear Mr. Smith:

This office has completed its review of the 8th sedimentation structure involved with the above-mentioned project. The railroad fill downstream of the structure removes any concerns about flood damage, should a failure occur.

No additional notification is necessary to this office. Approval is granted to proceed subject to the approval of other involved agencies.

Yours truly,

Dee C. Hansen, P.E.
State Engineer
