RE: NOV 84-4-76 2 of 6

Dear David:

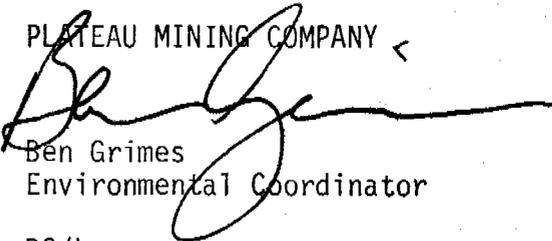

As we discussed on the phone today, we are proceeding as rapidly as possible with the feasibility study for the proposed slurry ponds. We will be at a point this week, where we can give the go-ahead for final design.

We appreciate your verbal commitment to extend the submission of plans to July 11. We are hopeful that we can make this deadline.

If you have any questions, please call.

Respectfully,

PLATEAU MINING COMPANY
