FROM: Barton Kale, Mining Field Specialist *BOK*
RE: Plateau Mining Company, Starpoint Mine, ACT/007/006,
Folder #7, Carbon County, Utah

A partial inspection was conducted at the above mentioned mine site on October 26, 1984 by Barton Kale of the Division. The inspector was accompanied by Ben Grimes of Plateau Mining Company. At this time the inspector was still in the familiarization process due to the recent transfer of inspectors and mines.

The areas viewed include the following:

1. The Lion Deck pad-associated storage areas, trash and waste collection areas, associated undisturbed diversions, office area and rock dust area.
2. The Starpoint #1 area, the portal area, access road and drainage, the truck loadout and associated sediment pond.
3. The preparation plant area including the rail spur, associated catch basins and diversions.

The inspection will be followed by a thorough parusal of the mine plan to attain a thorough working knowledge of Plateau mine plan area.
