Subject: Plateau Mining Company's Lease Boundary Modification for
MRP at Star Point Mine.

Dear Dianne:

The Division has evaluated Plateau Mining Company's lease modification for inclusion of an additional 160 acres in the Mining and Reclamation Plan at the Star Point Mine. The Division has no concern for this activity since it will utilize existing surface facilities and access will be underground.

Thank you for an opportunity to review the MRP and provide comment.

Sincerely,

William H. Geer, Acting Director
