Dear Mr. Grimes:

RE: Modification of Remedial Action of the Abatement of NOV 84-4-1-1  
Lion Deck Parking Area, Plateau Mining Company, Star Point Mine,  
ACT/007/006, Folder No. 2 and 7, Carbon County, Utah

The plan modification for the previously approved remedial action to NOV 84-4-1-1 has been reviewed by the Division's technical staff. The construction of a permanent berm located as shown on the figure attached to your June 15, 1984 letter will aide in diverting all disturbed area runoff to a sediment pond. This complies with the required remedial action for abatement of the NOV.

The Division concurs and approves the modification of the abatement action and the installation of the permanent berm for the Lion Deck Parking Area.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor/  
Reclamation Hydrologist
