RE: Approval of Plans Abating
NOV N83-4-14-1
Star Point Mines
ACT/007/006
Folder Nos. 4 and 7
Carbon County, Utah

Dear Ben:

The Division has reviewed the proposed designs for the energy dissipator for Ditch No. 14 (see December 6, 1983 letter from Vaughn Hansen Associates to Plateau) and has found them to be adequate. Together with the plans submitted on November 4, 1983, this design will be sufficient to abate Notice of Violation N83-4-14-1. Therefore, the plan is approved with the following stipulation:

Stipulation 1-12-84-1 (RS)

The plans shall be implemented by May 15, 1984.

If you have any questions, please call me or David Lof of the inspection staff.

Sincerely,

Rick Summers
Reclamation Hydrologist
