Dear Ben:

RE: OSM Request for Plans, Notice of Violation N84-4-7-6, #1 of 6, Star Point Mines, ACT/007/006, #2 and #7, Carbon County, Utah

The Division received a request from the Office of Surface Mining (OSM) on February 26, 1985 for additional copies of the approved (August 2, 1984) Notice of Violation (NOV) abatement plans for NOV N84-4-7-6, #1 of 6, as submitted by Plateau Mining Company to the Division on July 10, 1984. The OSM request was for three (3) additional copies of the finalized maps and plans which may be inserted directly into the approved Permit Application Package (PAP).

Please direct these copies to Mr. Allen D. Klein at the OSM offices of the Denver Technical Center at your earliest convenience. A copy of your transmittal letter would be appreciated.

Thank you for your attention to this matter.

Sincerely,

A handwritten signature in cursive script that reads "D. Wayne Hedberg".
