RE: Permit Renewal Application

Dear Dr. Nielson:

In compliance with UMC 788.13(a) and UMC 788.14(a), Plateau Mining Company is hereby submitting application for renewal of its Mining and Reclamation Permit ACT/007/006. In compliance with UMC 777.21(b)(2), this application is being made within the time requirement of 120 days prior to expiration of the existing permit.

Fourteen copies of this renewal application are transmitted with this letter. This application consists of this letter and eight (8) volumes.

As required by UMC 788.14(a)(1), changes to the matters set forth in the original application for a permit have been outlined in this submittal. All parts of the regulations have been responded to, incorporating all modifications, additions, and changes to the original permit. Ongoing monitoring data have been incorporated into responses to the regulations and all information required by regulation has been included.

The introduction section and responses to UMC 788 give additional details on the content and format of this application.

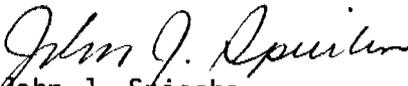

As required by UMC 771.25, this application for a permit is accompanied by a \$5.00 filing fee.

We believe you will find the information and material contained in this set of volumes complete and adequate to renew our permit. If you need additional information or have questions, please contact Ben Grimes at (801) 637-2875.
