DIVISION OF
OIL, GAS & MINING

Dear Mr. Hedberg:

The Office of Surface Mining Reclamation and Enforcement (OSMRE) has reviewed Plateau Mining Company's February 4, 1986, submittal identified in your February 13, 1986, letter as MRP Revision, Graben Crossing/Rock Tunnel Development to Access Adjacent 160A Coal Lease.

It is our understanding that this proposal involves only the construction of the Rock Tunnel and does not involve the mining of Federal coal outside the approved permit area. In this case, OSMRE has determined that the revision does not constitute a mining plan modification and has no comments on the proposal at this time.

Sincerely,

Melvin L. Shilling, Chief
Mining Analysis Division
