RE: Coal Exploration Application 86-1, U.S. Fuel Property,
Plateau Mining Company, Star Point Mine,
CEP/007/006-(86), Carbon County

The plans received for the two culverts proposed for access road to drill sites 86-18-1 and 86-18-2 meet the requirements of the regulations and are therefore approved. Please ignore the comments on my previous memo to file regarding the request for this information.
