Re: Revised Permit Renewal Text

Dear Mr. Whitehead:

Enclosed is a copy of the text with all revisions incorporated from the Initial Completeness Review Response and from the Subsequent Deficiencies Review Responses.

The enclosed pages replace the existing PAP pages, and some of the material is new. You may need my help to insert this material into the PAP volumes.

As I indicated on the phone, the revised maps will be printed next week and will be sent to you the following week.

Respectfully,

Ben Grimes
Sr. Environmental Engineer
