Re: **New Lands, Determination of Completeness**
Letter Dated May 29, 1987

Dear Mr. Braxton:

Enclosed please find fourteen copies of the Permit Area Map with the new lands areas highlighted for easy identification as requested in your May 29, 1987 letter.

We are conducting, this week, a cultural-historical survey of the new lands areas not previously covered. Results of this survey will be submitted early in August.

If there is anything else we need to do on the New Lands Application please let me know.

Respectfully,

Ben Grimes
Sr. Environmental Engineer
