Re: Spoil Disposal Areas - Request for Submittal Date Change

Dear Ms. Grubaugh-Littig:

In confirmation of our conversation on June 10, Plateau formally requests an extension of time to submit permitting information on the spoil disposal areas as requested in your May 12, 1987 letter.

You agreed verbally on June 10, to a new date of September 15, 1987 for this submittal. That date should allow us adequate time to submit the required information.

Our full efforts at this time are being devoted to the permit renewal and new lands permit along with summer maintenance, water monitoring, subsidence monitoring, vegetation monitoring, responding to permit renewal stipulations and the rules rewrite program. Additional requirements such as this are difficult to work into this schedule.

Respectfully,

Ben Grines
Sr. Environmental Engineer
