Re: Plateau Mining Company, Star Point Mines, Carbon County, Utah
Underground Mining and Reclamation Plan for New Lands

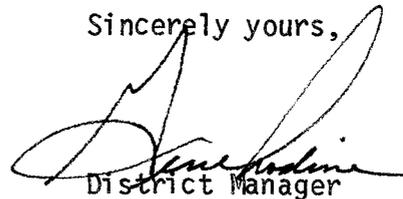

Dear Mr. Whitehead:

As discussed with Shannon Hoefeler of my staff, this letter is in response to the three volumes that Plateau Mining Company has submitted. It is determined that the subject plan meets the requirements of 43 CFR 3484.1 for the underground mining of Federal coal leases. This plan is consistent with the overall development plan of the Star Point Mines.

Additionally, a review of surface impacts was made and no conflicts were identified. Therefore the Bureau of Land Management recommends approval of the plan.

If you have any questions, please contact Brent Northrup, Chief Solid Minerals, or Shannon Hoefeler at (801) 259-6111.

Sincerely yours,

District Manager
