Re: Sediment Pond No. 2 - Additional Copies of Plan

Dear Mr. Hedberg:

Enclosed are twelve (12) additional copies of the approved plan as you requested in your letter of February 20, 1987. The plan will become Exhibit 42 in the five-year Permit Renewal Application Package (PAP).

Enclosed are twelve (12) copies of revised page 784-128 of our five-year Permit Renewal Package with the language revised to refer to the approved plan. All other details of Sediment Pond 2 were included in the PAP.

The approved plan should be inserted in Volume 4 after Exhibit 37. The reason for the gap between Exhibit 37 and Exhibit 42 is that Exhibits 38 through 41 have been added in the New Lands PAP submitted on December 19, 1986 and in subsequent responses to both PAP reviews. The entire permit package will be updated when approved.

If you have questions, please call.

Respectfully,

Ben Grimes
 Sr. Environmental Engineer
