Dear Mr. Grimes:

Re: Approval of Response to Stipulation UMC 817.121-(1)-RVS, Plateau Mining Company, Star Point Mines, ACT/007/006, Folder No. 2 and 4, Carbon County, Utah

The August 20, 1987 response to the above noted stipulation has been reviewed and is adequate to address this stipulation.

The Division would recommend that Plateau complete a baseline survey of the monitoring points in the stream channel this year in order to avoid any conflict should mining need to begin before the new monitoring points are established and surveyed in.

Thank you for your cooperation in the matter.

Sincerely,

John J. Whitehead

Reclamation Hydrologist
