Dear Mr. ^{*Pete*}Rutledge:

Re: State Decision Package, Five-Year Renewal, Plateau Mining Company, Star Point Mines, ACT/007/006, Folder #2, Carbon County, Utah

Attached is the Division's State Decision Package (SPD) for the above referenced action. Based upon the findings for permit approval, the technical analysis, and the Cumulative Hydrologic Impact Assessment, Permit ACT/007/006, 6/87, has been issued to the applicant. No major issues were identified by the federal or state agencies involved in the action.

No public comments were received during the publication and comment period for this action.

It is, therefore, the Division's recommendation that the federal mining plan action be approved by the Department of Interior.

If you should have any questions on this matter, please feel free to contact me or my staff.

Best regards,
