RE: Underground Mining and Mining Sequence Modification Request

Dear Mr. Braxton:

This letter, with enclosed Maps 5 and 6, is a request to modify our approved mining plan in the Wattis and Third Seams in Section 18, T15S, R8E.

The modified mining plan includes mining all of the longwall panel shown with mining dates of 8-88 to 1-89 on Map 6, and revision of the mining sequence dates on Maps 5 and 6.

We also request that the previous stipulations regarding mining of the Third Seam longwall panels in Section 18 be rescinded or modified to allow mining of the panels without contingencies associated with Wattis Seam mining.

If we can answer any questions, please call.

Respectfully,

Ben Grimes  
Sr. Environmental Engineer
