Re: **Sediment Pond 9 Completion**

Dear Mr. Hedberg:

In accordance with your February 2, 1988 letter, we are informing the Division that Pond 9 will not be completed by June 15.

The pond received approximately 2 feet of runoff from snow melt and spring rains. The bottom has just this week dried out enough to get equipment in to start the clay liner. We anticipate final completion by about June 30.

If you have questions, please call.

Respectfully,

Ben Grimes (ad)
