RE: Status of Stipulation 817.45-.47(1), Plateau Mining Company, Starpoint Mine, ACT/007/006, Folder #2, Carbon County, Utah

## Synopsis of Proposal

On June 7, 1988 a field verification of Sediment Pond Inlet and Outlets was completed by Ben Grimes, Plateau's Environmental Coordinator, and myself.

## Analysis

All sediment pond inlets and outlets were determined stable, based on this field verification. Therefore stipulation 817.45-.47-(1) is satisfied.
