In response to your June 15, 1988 inquiry regarding an extension of time for Plateau Mining Company to respond to the outstanding stipulations for the Starpoint Mine Permit Application, the following extensions are granted.

The deadline for responding to stipulations noted in the Division's May 30, 1988 letter, namely, 817.52(2b), 817.71-.74, and 817.101 will be extended to August 1, 1988.

The deadline for responding to the issues noted in the Division's May 20, 1988 letter regarding U.S. Forest Service concerns as well as the revised tables for the approved Permit Application Package in response to Stipulation 817.43(1) noted in our June 10, 1988 letter will be extended to September 1, 1988.

Responses to Stipulation 817.44(1), 817.45-.47(3), and 817.150-.176(1) are due July 1, 1988.

The Division is quite anxious to have all outstanding stipulations adequately addressed. Please assure each response is complete and adequate.
