Dear Mr. Grimes:

Re: Compliance With Stipulation 817.43-(1)-(TM), Cyprus-Plateau Mining Company, Starpoint Mine, ACT/007/006, Folder #2, Carbon County, Utah

The Division's field examination of culvert outlet protection at the above-referenced mine has identified eleven culverts that require either maintenance or monitoring (see attached Memorandum dated June 9, 1988). Cyprus-Plateau Mining Company will achieve compliance with Stipulation 817.43-(1)-(TM) upon completion of culvert maintenance and submission of updated tables. The Division anticipates that compliance will be achieved during the 1988 construction season.

Sincerely,

Richard V. Smith for
