Dear Mr. Grimes:

RE: Review of March 30, 1988 Materials Submitted in Response to
Division Letter of November 16, 1987, Cyprus-Plateau Mining
Company, Starpoint Mine, ACT/007/006, Folder #2, Carbon County,
Utah

Attached are two Technical Memos from Reclamation Engineer Pamela Grubaugh-Littig. The memorandums identify two issues resulting from the Forest Service concerns noted in their letter of May 3, 1988, which still must be addressed.

The Division is anxious to complete the left-over items from the August 1987 renewal of the Plateau Mining Company Permit Application Package. Would you please assure that your complete and adequate response to the concerns noted reaches the Division no later than July 1, 1988.

Please feel free to contact Pamela Grubaugh-Littig if you should have any questions.

Sincerely,

John J. Whitehead
Permit Supervisor
Reclamation Hydrologist
