Re: Maps 44, 47 and 71 - DOGM Letter, October 16, 1989

Dear Mr. Smith:

In response to your request of October 16, 1989 please find enclosed the following:

- Map 44, Sheet F-12 - Seven copies
- Map 47, Sheet E-13 - Seven copies
- Map 71 - One copy

Map 44, Sheet G-12 does not contain any bonded areas; the only permitted facility showing on this map is a 20 foot wide road owned by Utah Railway Company that we use as access to our silo. We will not do any reclamation on this road as it does not belong to us.

Six copies of Map 71 were mailed to you on September 19, 1989 with SAE's changed to ASCA's; a copy of the transmittal letter is enclosed.

Sincerely,

A handwritten signature in cursive script, appearing to read 'Ben Grimes'.

Ben Grimes  
Sr. Environmental Engineer
