Re: Forest Service Monitoring - Revised Table 80 and Map 31

Dear Mr. Whitehead:

Enclosed, please find six copies of revised Table 80 and Map 31 reflecting the items discussed in Tom Munson's November 16, 1988, letter.

Springs 492 and 971 have been added. Additionally, springs located above future mining -- 424, 450, 452, and 458 -- have been added to Map 31 with the year baseline monitoring will begin.

This submittal can be inserted directly into our MRP and constitutes the final resolution of this issue.

Respectfully,

A handwritten signature in cursive script, appearing to read 'Ben Grimes'.

Ben Grimes
Sr. Environmental Engineer
