Dear Mr. Grimes:

Re: Mid-Term Review, Cyprus-Plateau Mining Company, Starpoint Mines,  
ACT/007/006, Folder #2, Carbon County, Utah

There are two issues that need to be addressed by Cyprus-Plateau Mining Company for the Starpoint Mines Mid-Term Review:

- (a) The stipulation review and approval process has been ongoing since 1987. The operator must "verify" the approved Permit Application Package at the Division offices for the Mid-Term Review.
- (b) The reclamation cost estimate for the Starpoint Mines must be updated and revised.

The Mid-Term Review must be completed by February 7, 1990, and therefore, a submittal of updated material should be in the Division offices by January 19, 1990.

Sincerely,

A handwritten signature in cursive script that reads "Pamela Grubaugh-Littig".
