RE: Certificate of Liability Insurance and "Claims Made" Coverage,
Cyprus-Plateau Mining Corporation, Starpoint Mines, ACT/007/006,
Folder #4, Carbon County, Utah

I called Becky Rowland, Account Executive for National Union Fire Insurance Company, regarding the Certificate of Liability Insurance for Starpoint Mines and the fact that it is "claims made" coverage. She explained that it is "claims made" per occurrence coverage and is retroactive to July 1, 1986. All claims that could be filed for an occurrence prior to that date are subject to the "occurrence" policy issued before the "claims made" policy. In other words, there is insurance coverage dating back to the moment of first coverage.
