Dear Mr. Grimes:

Re: U.S. Forest Service Concerns, Proposed Amendment for
Exploration Pits, Cyprus-Plateau Mining Company, Starpoint
Mine, ACT/007/006-89G, Folder #2, Carbon County, Utah

Attached is a copy of correspondence from the U.S. Forest Service (USFS) that identifies concerns related to the proposed program for developing exploration pits. I have forwarded copies of materials submitted by Cyprus-Plateau Mining Company dated June 12, 1989, June 23, 1989, and July 27, 1989 to the USFS. Requirements for a Road-Use Permit, Archeological Survey, etc., must be addressed.

I recommend that you contact Mr. Carter Reed at the USFS if you require additional clarification. Please be aware that additional materials derived for the USFS must also be submitted to the Division as part of the proposed amendment ACT/007/006-89G.

Sincerely,

A handwritten signature in cursive script that reads "Richard V. Smith".
