Dear Mr. Grimes:

Re: Consolidation of Castle Valley Ridge Lease Tract and 1992 Permit Renewal, Cyprus-Plateau Mining Corporation, Starpoint Mines, ACT/007/006, Folder #2, Carbon County, Utah

A review of rules pertaining to Permit Renewals (UMC 788.13 through UMC 788.16) indicates the permit area may be extended beyond the boundaries authorized in the existing permit (see UMC 788.14[b][2]). Accordingly, the Division has no objection to consolidating the Castle Valley Ridge Lease Tract into the 1992 Permit Renewal. However, you may wish to submit the consolidated Permit Renewal prior to the 120 day time limit for submission (e.g., February 1992).

Sincerely,

A handwritten signature in cursive script that reads "Richard V. Smith".

Acting Permit Supervisor
