Dear Ms. Littig:

RE: RECLAMATION AGREEMENT

We received your letter dated September 19 regarding the reclamation agreement. Our attorneys have reviewed the Division responses and the revised forms. We have started the process of completing the forms at our corporate office in Colorado, unfortunately there is a lot of work to do with the surety company which will take more time than you require. We will need an additional 30 days to complete the forms. We should be able to have the agreement to you by November 19.

Please let me know if this time extension is possible. We do not have much of a choice in the timing, there are a lot of signatures required on the forms, and much work to do with the surety company.

Respectfully,

A handwritten signature in cursive script, appearing to read 'Ben Grimes'.
