Re: Mid-Term Review - Request for Extension

Dear Ms. Littig:

Numerous commitments at year's end are making it impossible for us to comply with your January 19, 1990, deadline to submit mid-term review materials. We would like to ask for an extension until February 20, 1990, to submit this material.

The new bond forms and reclamation agreement will take some extra time, as it is totally new to us. These forms and the agreement will have to be reviewed by our Legal Department, and coordinated through our Bonds Department. I can't even give you an estimate of time for this.

Respectfully,

Ben Grimes
Sr. Environmental Engineer
