DIVISION OF  
OIL GAS & MINING

Dear Ms. Grubaugh-Littig:

Enclosed are twelve copies of revised Exhibit 222.300a for replacement in the Plateau Mining Company's Star Point Mines permit application. During our review of the permit application we discovered that this exhibit was not page numbered and there were some spelling errors. These have been corrected.

I apologize for the inconvenience this revision causes you. Thank you for your kind assistance in this matter.

Very truly yours,

Barry J. Barnum
