RE: "Permit Renewal Application and Addition of Castle Valley Ridge Lease Tract, Cyprus-Plateau Mining Company, Star Point Mines, ACT/007/006, Folder #2, Carbon County, Utah"

In Reply Please Refer to Case No. J343

Dear Ms. Grubaugh-Littig:

The Utah State Historic Preservation Office received the above referenced report on September 23, 1991. Six cultural resource surveys have been done of project area, with no sites located. Our office would recommend that no further cultural resource surveys be considered unless the scope of work expands greatly. The mine plan appears to be accurate with no suggestions for technical corrections from our office.

This information is provided on request to assist the Division of Oil, Gas and Mining with its Section 106 responsibilities as specified in 36 CFR 800. If you have questions or need additional assistance, please contact me at (801) 533-7039.
