Dear Ms. Littig,

Re: Refuse Pile Drainage - Two Additional Items - DOGM Letter
July, 11, 1991; N91-25-1-3

Enclosed, please find four additional copies of the revised Map 42 showing the new culvert and berm at the edge of the refuse pile. David Hansen of Hansen, Allen & Luce sent directly to the Division this information also, but I don't believe they sent enough copies.

Rather than having another map of the refuse pile, we felt it is much better to have the culvert and berm on our overall permit drainage map.

Respectfully,
