Dear 2~:

Re: Permit Renewal Application and Addition of Castle Valley Ridge Lease Tract, Cyprus-Plateau Mining Company, Star Point Mines, ACT/007/006, Folder #2, Carbon County, Utah

Transmitted herewith is the permit renewal application for the Star Point Mines combined with the addition of the Castle Valley Ridge Lease Tract. This application was combined due to the fact that it has been reformatted according to the Utah Coal Regulations, approved April 12, 1990, and the coincidental timeliness of the permit renewal and the Federal Lease Tract Addition.

Please review this application and forward your agency review comments to the Division by November 20, 1991. If you have any questions about this application or the review, please call me.

Sincerely,

A handwritten signature in black ink, appearing to read 'PGL'.
