RE: Submission of DO-92A modifications for insertion into the Permit Application.

Dear Mr. Braxton:

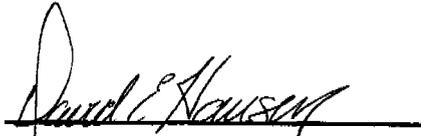

As requested in your letter to Cyprus Plateau Mining Company (CPMC) dated June 16, 1992, and as directed by Mr. Ben Grimes we are hereby submitting to you 8 copies of the modifications required by DO-92A for insertion into the permit application. Please note that a minor portion of the text has been altered slightly from the Hansen, Allen & Luce letter which was sent to you dated April 27, 1992. The slight changes which have been made to the permit relate to the inclusion of the AGECE report referenced in the April 27th letter, the updating of related text, and a statement related to the public notice for County Road 290. Specific instructions related to this submittal to simplify the updating of your permit volumes are outlined below.

- Remove pages 500-2 and 500-2a and insert new revised pages 500-2 and 500-2a.
- Remove pages 500-4 and 500-5 and replace with new revised pages 500-4, 500-5 and 500-5a.
