Dear Ms. Littig,

Re: Division Order ACT/007/006-DO-91A

Enclosed, please find a copy of a letter from Hansen, Allen and Luce presenting calculations on the Plateau sediment ponds. The calculations show that all of the ponds satisfy the new requirements without being modified as proposed in our previous submittal.

Cyprus Plateau is requesting that the previous submittal proposing to modify ponds 1, 3 and 7 be withdrawn since no modifications are needed. The ponds comply with the requirements of the regulations as constructed.

Respectfully,

Handwritten signature of Ben Grimes.
