Dear Mr. Grimes:

Re: Underground Storage Tank Removal, Cyprus-Plateau Mining Corporation, Star Point Mine, ACT/007/006, Folder #2, Carbon County, Utah

Your response letter (February 27, 1992) in regards to backfilling of the excavation created by the removal of the underground storage tanks with subsoil and lithic material from the development of the refuse expansion area is an acceptable procedure. However, there is still some clarification needed in regards to the boundaries of the refuse disposal area. The enclosed memorandum explains the maps which require clarification.

Please submit, for inclusion in the permit, maps which clearly depict the boundaries of the refuse disposal area by April 17, 1992. The Division appreciates the cooperative effort of Cyprus Plateau Mining Corporation in this matter.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
