Dear Mr. Grimes:

Re: Minor Exploration Permit Application - Inside the Mine, Cyprus Plateau Mining Corporation, Star Point Mine, ACT/007/006, Folder #2, Carbon county, Utah

The Division is in receipt of a minor coal exploration application for the Star Point Number 2 Mine where "exploration" will be conducted from within the mine. I discussed this application with personnel from the Price Area Office of the Bureau of Land Management, and was told that this type of activity is considered "casual use" not exploration and should, therefore, not require a minor coal exploration permit.

Thank you very much for submitting this information. This application will be filed for public record.

Sincerely,
